

QA Health Check

Are Your Tests In Working Order?

Get a free consultation on your current testing strategy, from manual to automated testing, for your application whether it is web based or mobile. Don't have one? A prescription can be provided that can kickstart your continuous integration process and give you a peace of mind that your application is fully tested.

When: Friday, June 3 from 2 PM to 4 PM

Where: WeWork, 535 Mission St. 14L

Brought to you by Melvin Laguren (www.laguren.net)
